Robert D. Phillips, Jr., is a business litigator with decades of experience assisting numerous companies in high-stakes class actions and other litigation related to unfair competition, false advertising, privacy issues, product liability, labor and employment, life insurance, financial services, trade secret litigation, and food labeling.

Bo's counsel extends to litigation involving financial products, consumer products, life insurance and annuity sales, advertising and labeling cases against manufacturers and retailers, employment issues, antitrust, and product liability.

In addition to serving clients throughout California, Bo serves as lead counsel in national class actions in jurisdictions across the country and has won numerous cases in state, federal, and appellate courts. Bo is recognized by *The Best Lawyers in America*® and has been named a "Client Service All-Star" by BTI Consulting Group.

### *Representative Experience*

- Won a Ninth Circuit appeal of a favorable summary judgment in a national class action involving an index annuity matter.
- Won a six-week jury trial regarding an annuity suitability and financial advice case in Orange County, CA.
- Defeated class certification in a national class action involving index annuity sales and performance.
- Secured dismissal of a false advertising and labeling class action involving protein supplements in New York federal court.
- Won summary judgment in an annuity class action alleging noncompliance with disclosure statutes.
- Won summary judgment in a national class action involving cost of insurance charges in universal life policies; affirmed on appeal in the Seventh Circuit.
- Won a directed verdict in a financial elder abuse jury trial.
- Won dismissal of a dietary supplement class action involving false advertising claims.
- Defended an advertising class action involving athletic apparel.
- Defeated class certification in a nationwide mortgage lending class action.
