John Lesko is an associate in Alston & Bird's Technology & Privacy Group. Before receiving his J.D., John served as a subject-matter expert on analytic tools such as statistical programming, deep learning, and machine learning algorithms, built a long-term intellectual property application and database, and designed and managed analytics projects.

John earned his J.D. from Georgia State University where he was a member of the Intellectual Property Law Society. He earned a masters in analytics from Georgia State University, and his B.S. in mechanical engineering from the University of South Carolina.
